HVAR ISLAND

one day tour

Museum of Hvar

ITINERARY

- ✓ Departure from Split to island Hvar through channel of Brač and passing gates of Split where you can see aquatoric area of town Split, island Brač, island Šolta and island Hvar
- ✓ Arriving in town Hvar where we organized a tour guy who will take you on the tour of town Hvar where you can see a theater from 1612. year , Hvar Benedictine monasteries have become famous around the world due to its unique tradition of lace making of agave and fortress – Fortica Španjola where you can see one of the most amazing panaromic views in Dalmatia

Split

- ✓ After we are coming back on the boat and we are going on Paklinski island where we are spending a nice time for the lunch, swimming or maybe for somebody to relax on nice sunbad.
- ✓ After Paklinski island we will go to island Brač where we are visit Milna or as the Venetians called it “Valle di mille navi” (the bay of a thousand ships). The welcoming bays of Milna have always been a favourite port for sailors sailing through the Middle Adriatic. Milna is still reputed as the most beautiful and the safest harbour of Brač
